

BE A MEMBER!

JOIN AS A FRIEND OF THE PARKS!

The Portage Friends of the Parks is a group organized by the Portage Parks Board to provide volunteer opportunities and financial support to assist with park projects and events. We offer a park membership program which supports efforts to keep the Portage Parks as one of the great assets of our family oriented community. Your gift will enable the Friends of the Parks to continue growing volunteer opportunities, events, educational opportunities, and projects for area residents to work together to benefit and promote our outstanding Portage Park system. Some of the activities include the Recycled Art in the Park, Get Active Portage, Nature Education Series, and the Celery Flats Music Fest.
